

THE LION FUND

INVEST IN FAITH & LEARNING

At **Redeemer Christian School**, we are committed to the **academic, spiritual, and emotional growth** of the students we serve. Rooted in our core values of **Excellence, Grace, and Community**, the **Annual Lion Fund** (formerly the Flourish Fund) was established to enrich the RCS experience and further our mission to serve students and families more fully.

Our goal is to raise **\$200,000** through events, sponsorships, and donations. This year's fund will provide **need-based financial assistance**, help **install a new gym floor**, and **upgrade vital technology resources**.

We invite you to prayerfully consider joining us in this mission. With your support, we can continue to shape hearts, grow minds, and build a future grounded in **faith and excellence**.
